## THE NEW YORKER

Perfectly positioned at the end of the historic Docklands runway, Alumbra's New York inspired fit out gives the sense of stepping in to the bustling streets of NYC. Housed in a 1914 heritage-listed cargo shed, Alumbra is an authentic warehouse conversion. The interior is complete with exposed brick walls, scaffolding installations, industrial light fixtures and downtown street posters.

Contemporary with uninterrupted harbour views, this night dweller transforms from a casual bar to a pulsating club, right through to a charismatic function space ideal for social and corporate celebrations.

### Exclusive Events

Flexible with numerous options for private spaces, Alumbra is perfect for social gatherings, VIP launches, after parties or corporate events. Each room within the venue offers something unique with the ability to cater to a range of capacities.

*An Atlantic Group associated venue.*
