## THE SOCIALITE

In the heart of the CBD resides the ever so loud and bold Ms Collins. Perfectly positioned amongst the hub of socialites on Collins Street, this historic building is both raw in its architecture with hints of Melbourne splashed across its grand interior.

Renowned as the city's busiest intersection where fashion, food, music and art collide, Ms Collins loves a party. Charmingly illusive this chameleon is a favourite Melbourne restaurant, bar, club and exclusive event space.

### Exclusive Events

Featuring a myriad of rooms that can be individually tailored to your event and requirements, Ms Collins is the perfect venue for your next event.
