EYRIS

THE MUSE

Hidden within the creative heart of Abbotsford, Eyris is a space unlike any other - a private, art-filled sanctuary where industrial architecture meets refined luxury. Designed for those who appreciate the extraordinary, Eyris is an exclusive venue that redefines what it means to host, exhibit, or celebrate.

Every detail within its walls tells a story. From the soaring trusses and exposed brick to the striking sculptures and contemporary art, the space feels both raw and rarefied - an elevated warehouse with soul. Like its namesake, Eyris offers perspective; a vantage point where beauty, design, and atmosphere converge.

Perfect for high-end launches, private celebrations, creative showcases and curated events, Eyris delivers an experience that feels intimate yet expansive, bold yet considered. It's not just a venue - it's a canvas for those who seek to create something truly exceptional.

Eyris. Where beauty is in the eye of the beholder.
